1 skein Saphira (130 yds) or any other Bulky Weight Yarn

#10 20-24" circular needles

Yardage and gauge are not crucial as this is a cowl and doesn't have to fit as well as a sweater would. Just make sure you get a fabric you like with your needles and yarn combo and you're all set!

CO 128 sts (For a longer cowl just add stitches in increments of 8)

Join in the round as follows:

Row 1: K4, P4

Repeat row 1 until your cowl is the desired width.

BO all sts very loosely.
